THE TOTAL BUDGET FOR ST. MARY'S COUNTY

The General Fund is the portion of the budget where general tax revenues such as property and income taxes are collected, and where general expenditures such as the County's cost for education, law enforcement, highway maintenance, and libraries are reported.

Additionally, County expenditures are incurred in several other funds. There are two separate enterprise funds which account for the operations of various county-wide recreation programs and the operations of the County's public golf course, as well as the solid waste enterprise fund. There are also special revenue funds which account for the emergency services support tax, special tax district costs, and other miscellaneous programs. These miscellaneous revolving funds include several Department of Aging and Human Service activities. In addition to the County funding, the Library, Public Schools, and College of Southern Maryland receive significant resources from other sources, such as the State of Maryland, which are reflected as Other Operating Funds.

As part of the annual budget process, the Commissioners of St. Mary's County must also authorize the expenditure of State, Federal, and other revenues of the independent boards which manage the school system, public libraries, and the College of Southern Maryland. These revenues are received by the respective boards and not by the County government; thus, the revenues are not appropriated in the annual budget ordinance but are still authorized for expenditure by the Commissioners.

The combination of the general fund, enterprise funds, special funds, and the non-county operating funds of the independent boards comprise the entire operating budget for St. Mary's County. The Commissioners of St. Mary's County adopts a separate capital budget for the financing of long-term capital improvements.

EMERGENCY SERVICES SUPPORT FUND

Through an Emergency Services Tax, the County dedicates a funding stream for the County's emergency services activities and organizations, funded by that tax. By identifying a special tax, based on assessed property values, the Commissioners set into place a funding mechanism to allow emergency services organizations, including fire and rescue, to plan for the future.

The Emergency Services Support Tax funds are remitted by the Treasurer and credited to this revolving fund. Revenues generated are budgeted to support base allocations of \$23,000 and \$19,000 to each volunteer fire department and rescue squad, respectively, as well as for the other purposes listed below. The Emergency Services Support tax was increased in FY2017 from \$0.016 to \$0.024. The average property owner saw an increase of \$23 annually.

RESCUE TAX

A Rescue Tax was enacted to provide a dedicated funding source for the County's rescue services activities and organizations. By identifying a special tax, based on assessed property values, the Commissioners set into place a funding mechanism to allow emergency services organizations, including fire and rescue, to plan for the future. The Emergency Services Tax, as a group, includes the existing Fire Tax, this Rescue Tax, and the Emergency Services Support Tax.

The Rescue Tax is assessed at a rate per \$100 of assessed valuation of all real and personal property on property in each election district, as identified below. The proceeds from the tax are distributed by the Treasurer to those rescue squads located in the election districts in which the money is collected. The Rescue Squads submit an annual budget and audit report to support the expenditure of these funds, which are to be used for the purpose of purchasing, repairing, replacing, operating, maintaining and housing their Rescue equipment, and for the training of volunteer Rescue Personnel.

To the extend that such variances occur, these excess funds are retained within the capital projects fund and applied to subsequent years' capital projects, based on the approved budget.

Estimated annual impact fee collections for FY2018 are Roads-\$150,000, Parks-\$120,000, Schools-\$1,200,000
