Miss Lettie Marshall Dent, Supt. Public Schools, appeared before the Board and explained the conditions under which the United States Public Works Administration would participate in the cost of building an addition to Margeret Brent High School.

After discussion of same, and at Miss Dents suggestion the board adopted attached resolution # 3.

The Board fixed the salary of the Clerk to the Trial Magistrate's Court at \$800.00 per year.

Clerk directed to write the State Roads Commission that it reccommends the appointment of Thomas Van Ryswick, Leonardtown, R.D, in place of James Waring as Foreman for road work, because Mr. Waring ~~is~~ is too old to properly perform the laborious work it is some times necessary for a Foreman to perform; and also to request the appointment of Lamar Taylor, Ridge, Md., in place of Stephen Bean as Foreman for road work, for the same reason that applies to Mr. Waring.

Clerk also direcetd to reccommend the ^{employment} on the roads, as laborer, of William Knight, Mechanicsville, R.D. Board fixed the salary of James A. Latham, J.P. (Committing Mag.) at \$100.00 per year, to start June, 1, 1939. Board adjourned at 9.30 P.M. until next regular meeting.
