Minutes of Preceding meeting read and approved.

The Board decided to reimburse J. Franklin Adams, former Superv. of Assess. in the sum of \$11.38 for expenses.

The Board decided to continue the Special grant to the Welfare Board, of \$4.50 per month for insulin for Francis Herbert, the Welfare Board agreeing to provide a like amount from their regular funds.

Mr. Bernard E. McKay again appeared before the Board in reference to the Property of Harry Shields in the McKay Subdivision, 2nd Dist., which is now advertised for sale for delinquent taxes. Mr. McKay said that he had sold this property to Shields, who, after making a few payments, had abandoned the property and ownership had reverted to him (McKay), and that since he always pays taxes on 2 cottages, and only has one other at this time the Shields property should be counted as one of the Two, and taxes on same should be credited as paid. Board decided that, since the property was not in Mr. McKay's possession in the year 1938 taxes would have to be paid for that year and an insolvency would be allowed for the year 1939, on the basis that it is now a double assessment.
