Board met in the office of the State Roads Commission, Baltimore, Md.
at 10.30 A.M.
W. Paul Cecil
Present John E. Guy
Elmer R. Jarboe

Being a special meeting the minutes were not read.

The Board discussed with the State roads Commission the local bill which provides for servicing the County road bonds from the County's share of the gasoline tax.

The State Roads Commission put up strong objection to this bill becoming a law, and offered as an alternative proposition; that if the County Commissioners would agree to request the Governor to veto this bill the Commission would allocate \$10,000.00 per year from the County's share of the gasoline tax which could be applied to debt service.

The Board agreed to accept this offer of the State Roads Commission.
Board adjourned at 11.30 A.M.
