Messrs. John Fulton and H.C. Highfiff of the Lex. Park Vol. Fire Dept. conferred with the Board and requested financial assistance for that organization. It was explained that appropriate enabling legislation is necessary on this matter and Commissioner Jarboe as asked to contact that St. Mary's delegation concerning the authorization.

State's Atty. C. Henry Camalier and Cpl. Jackson, State Police, discussed with the Board the matter of expense incident to bringing to the Circuit Court for trial Saylor et al, now held in Federal prisons, and witnesses in the case of the State of Maryland vs. Saylor et al, charged with armed holdup. In this connection the Board directed their clerk to make inquiries and report at the next meeting.

3/27/44

A. F. King, Clerk.

Mr. Orbello, manager of Lexington Park, conferred with the Board concerning conditions at Lexington Park. He reported that dogs annoyed children residing in that area and that approximately 100 untagged dogs are running at large there; that considerable inconvenience is caused the residents of that section by their destructive prowling. The Board directed their clerk to confer with their attorney Mr. Dorsey, looking to a remedy for this condition. Mr. Orbello brought up another subject; to wit - the traffic situation, parking etc., in that area.

Board of Education,  
 Mr. Stanley Raley, Pres. Mrs. Maude Gardner, and Miss Lettie M. Dent, Supt of Public Schools for St. Mary's County discussed with the Board several phases affecting the educational program.

The Board adjourned at 4 p.m.
