Mrs. Gordon Clewes and friend of Hollywood PTA called in reference to 2 rooms for the Hollywood school. The school was built 2 years ago and the Commissioners feel it is adequate at present.

Group of PTA members from Great Mills Elementary School asked that multi-purpose room be added to the building - Mrs. Henry Dodson, White Pt was spokesman for the group, others speaking were Mr. Wm. Chapman, Mr. Freudberg, Miss Hope Greenwell, Mrs. Judy Lockerman (teacher) Mrs. Vernstein and Mrs. Schieble all of the same opinion that the multi-purpose room would answer their problems.
