Public Hearing on Drum Cliffs-
Zoning to "A Residential"

The Commissioners with their attorney and the Secretary to the Planning and Zoning Commission, met at 2:30 pm to Hearing the arguments for and against Zoning of Drum Cliffs, in the 6th Election District, Md to "A Residential."

Only one protest was heard, a letter received from Alfred H and Catherine S. Schaefer, 99% of other property owners in this area were for the zoning. The "A Residential" zoning was requested in order to protect the area from being used by stores and other commercial purposes, and to maintain a strictly residential section.

After a full discussion the area was declared zoned "A Residential."
