

July 8-1958

Dr. Houser and Mr. Tilp came to talk about the Nursing Home when the Commissioners and their attorney met in regular session today.

County will select and purchase site, building costing \$100,000.00 can have approximately 20 beds. Convenient for doctors if building is located near St. Mary's Hospital, tho it would not be connected with the hospital in any way. Commissioners will look around for good site. Later will have meeting with Mr. Fritz and others from State Dept of Health.
