

April 21, 1959

The Commissioners met early today to hold a short session. All members and their attorney were present.

Atty J.H.T. Briscoe, representing Cmdr Nalley came in about the road accepted 4-25-56 from Nalley-Davis etc. for 30 ft R/W Road is in very bad condition but gravel in low spots would help. Cmdr Nalley purchased 5 A to give 30ft R/W-cannot secure more land now. Bd. will have sand put in low places until later.

Letter from SRC regarding stop signs requested at intersection of Hurry-Maddox etc roads Letter to SRC advising County would pay for erection and maintenance of signs from Mtncnce fund.

Check for \$1,000 for Sanitary fills work made to SRC CGF #1 check #6393

Sanitary Fill at old Manor Rd school site- Deed JFF 4- 223 gives boundary of site, and specifies land is to return to heirs of Oscar & Kate Hayden when school there is discontinued.

Mr. Webb with J.D. Bond came in to talk about using borrowed money for road building- Mr. Guy had been to Balto and consulted with State officials about this- there is no law which would allow the SRC to repay money out of the Maintenance fund Board decided to wait until new SRCCommissioners take office and ask if they will approve using the loan for rebuilding roads.

Board suggested signs "USE at OWN RISK" be placed at public wharves at River Springs and Bushwood Wharves need new planks Mr. Webb will take this up with Mr. Duncan and advise J.D. Bond if SRC can replace the planks and the Commissioners refund the expenses.

Tom Moore had placed stobs on road at Bushwood school, they must be removed JDB will so advise Mr. Moore.

Sanitary fills- Paul Bell has site at end of farmland he will rent for \$50 per year. Extra sites are needed thruout the County and signs should be placed on roadside-preferably on trees- advising where nearest dump is located.

Clerk requested to write to Gov. Tawes and urge him to sign HB 769 which would place 3 employees of the County Bd. of Health under the State, and thus give them retirement fund benefit.

Insurance group to meet with Board at 10 a.m. on April 28-  
Harry Hoke to meet with Board at 11:30 am

Roof of new building leaks- Rose Bros to be so notified by Mr. Tilp who saw the buckets at the wall catching water.

Commissioners feel a tribute to Dr. Philip J. Bean of Great Mills would be appropriate to present at dinner to be held in Dr. Bean's honor May 3 at Little Flower school

Kenneth Duke came in to discuss sanitary fills and roadside conditions. He will return later.

Board adjourned at noon to attend meeting with Commissioners and attorneys from Charles and Calvert County and their host Mr. Tilp to consult about the Dog Pound project-

Approved
