

June 6, 1961

All officials present at this meeting.

Mrs. Trossback, Siriko, Vaughn and Bradburn, accompanied by Atty Paul Bailey made a similar complaint as that of May 23, regarding the condition of the St. Jerome's Neck Road and ditches. Jr. Bailey was asked to come in regarding this matter.

Mr. and Mrs. Killian Laschalt, Loveville, Md. desire to divide their 34 acre farm between 3 children and to secure Bldg permits for their homes. They were advised they must submit plans and plats to Planning & Zoning Comm, also Health Dept for approval before any Bldg Permits can be issued. Mr. Laschalt's Will prevents any part of the farm being sold until after both he and wife are dead. Matter to be referred to County Health Dept for discussion.

Dr. Nystrum, Extension Service, Univ. of Md. met with the Commissioners to discuss the retirement of J.J. Johnson, County Agent. The method of appointment is for Dr. Nystrum to make a recommendation to Dr. Elkins who makes a recommendation to the Bd. of Regents and the latter makes the appointment. Dr. Nystrum informed the Commissioners he would consult with them before making any recommendations. Four names were discussed; Geo. McCabe had written to the Commissioners; Ben Smith had met with them; Maguire Mattingly, Jr had expressed his interest in the position and the 4th person is not from this County and Dr. Nystrum had forgotten his name.

Sam Millison, J.P. of Great Mills, told the Commissioners he was not satisfied with \$20 per year for the work he had to do. Effective May 1, 1961 his salary will be \$100.00 per yr. He was so advised.

J. Louis Mattingly, Inspector of Coin Operated Machine licenses was offered position of General Inspector for St. Mary's County. This would include Coin Op. machine licenses, Building Permits, Trailer Court Permits and checking number of spaces occupied in Trailer Courts. He will consider and inform the Commissioners what salary he would expect for this work. He is to have copy of Trailer Court Laws, Bldg Permit Laws to study. An Identification Card will be issued to him to carry when on duty, if he accepts.

Notice to be sent to all COIN OPERATING MACHINES owners, advising them of change in Gross Tax effective July 1, 1961 from 10 $\frac{1}{2}$ % to 20 $\frac{1}{2}$ %-to be collected by the Comptroller.

Jos. A. Mattingly, Sts. Atty asked if Commissioners will pay his expenses at Convention of Md. Stats. Atty, Ocean City, Md. June 9-10-11, 1961. He is to submit bill for mileage, hotel accommodations and meals for self only.

Robt. Hansen, Rosecroft, advised the Commissioners that frequently the County Rd there is blocked. They informed that County Roads cannot be blocked at any time, but this a personal matter and not for the Commissioners.

SRC Mr. Cullum, Jr. Raley and M C Thompson present.

Paul Wentzel, Tidewater Fisheries was informed that County wharves and bridge needed for transporting of oysters could be used at his own risk; also that all wharf blockades must be replaced by him after using them.

Bridge at All Faith Church, Mech. in bad condition; will be replaced by 2 large pipes, instead of new bridge.
