Meeting convened at 1:10 p.m.

Arthur, architect, to express the Commissioners desire to meet with him to discuss the proposed addition.

The Commissioners were in agreement that Sheriff Burroughs be granted the \$100 as per request.

Call Numbers for Commissioners

Mr. Aud discussed the possibilities of securing radio call numbers for the three Commissioners. These call numbers would enable persons to contact the Commissioners more easily. Mr. Raley was requested to write to the Maryland State Police to secure the necessary information.
