**Recreation & Parks Accepting Community Input for New Playground at St. Clement's Shores Park**

**LEONARDTOWN, MD** – St. Mary's County Government's Department of Recreation & Parks (R&P) has released an online survey to collect community input on three design options for the upcoming playground renovation at St. Clement's Shores Park in Leonardtown. County residents and park visitors are encouraged to take the survey and make their voices heard.

The survey can be taken at [www.surveymonkey.com/r/StClementsShoresPlayground](https://www.surveymonkey.com/r/StClementsShoresPlayground). Survey submissions will be accepted until July 9.

The new playground will be fully fenced and ADA accessible. All three options feature swings, as well as accessible rubber surfacing. Please note that all designs are in the concept phase. The concept images are not guaranteed to reflect final features and colors.

Currently this project is expected to be completed in the spring of 2026.
